CAREER PROJECT HIGHLIGHTS-----

Wells Fargo (Client Technical Analyst, Experian). Assigned to be the technical lead for the Wells Fargo project. Tested and provided feedback to custom API workflow for Wells Fargo Program Manager. Collaborated with Experian Sales Director, Program Manager, and Sales Engineer to initiate a partnership with Wells Fargo, bringing in 30 million dollars over three years.

Discover Financial Services (Technical Solutions Intern, Experian). Worked alongside Discover Product Owner to launch new products for Discover. Provided test data, testing APIs, and worked with an internal Project Manager to estimate a launch date for new product. There are about 700,000 members using services and products I implement.

Truebill (Client Technical Analyst, Experian). Drafted strategy and recommendation plans to choose the best APIs for a project. Developed custom monitoring services to keep track and analyze API workflows for Truebills 800,000 subscribers.

WORK EXPERIENCE-----
